

PROFESSIONAL LOUDSPEAKERS

 *Made in Italy*

Our dream has finally become a reality

This new opportunity involved everyone at Fital at an unexpected level.

Enthusiasm has become our new way of life. After 50 years of loudspeakers manufactured with passion and care we are proud to introduce our new line of neodymium professional drivers.

Two full lines of neodymium woofers

- Professional Series
- High Performance Series

A growing line of compression drivers (currently the main focus of our R&D department)

Pure Technology

No Compromise
